**Regarding:** 2005 National Games Week Promotion & Event Prize Support

**As part of our promotion for the 2<sup>nd</sup> National Games Week in November, the FCS Gaming League is offering prize support for any games held during the week of November 20 – 26 at this store.**

Your game may be of ANY type or style. This is not limited to RPGs or CCGs. If you and your friends just want to get together for Monopoly, that counts as well. To qualify for prize support, your game must meet the following conditions:

1. Be pre-registered no later than 11/19/2005 using the pre-reg form. *See reverse side of this letter.*
2. The GM cannot be listed on the WotC banned list.
3. The game must be officially scheduled (no pick-up games).

Please turn any pre-registration forms in to the register. If you have email, send me a note letting me know you turned one in. You can also call me at the number below and leave a message.

Thank you for your time and consideration. Good Gaming!
